Summer 2024 Independent Learning Contracts (ILC) and Internships

**Faculty:** Hirsh Diamant, Ph.D. [diamanth@evergreen.edu](mailto:diamanth@evergreen.edu)

Summer is a great time to study at Evergreen. Summer is a good time to explore new subjects that inspire you, and to deepen the areas of study you are interested in. ILC and Internships are a unique and progressive part of Evergreen's curriculum and of teaching and learning at Evergreen.

As a faculty member, I will help you to create a plan of study, to learn and gain experience in subjects that matter to you including Education, Arts, Health and Healing, International Studies, Study Abroad, and Human Development. I can also help you find organizations to do an internship or a work-study.

**Credits:** You can choose summer session 1 or 2 or choose 10 weeks of summer study. You can earn up to 16 credits for summer session 2023.

Interested? Email me and we can talk: [diamanth@evergreen.edu](mailto:diamanth@evergreen.edu)
