

Organic Farm Internship Summer 2024

CREDITS: 16

Stipend: Students receive \$3000 for the quarter.

This paid internship program is designed for students who have prior experience studying Food and Agriculture and who are passionate about sustainable food production and organic agriculture. At the Evergreen Organic Farm, interns immerse themselves in a full-time, 40-hour-per-week commitment, engaging in hands-on activities guided by our experienced Farm Manager.

In recognition of their dedication, each full-time intern receives a stipend of \$3000 for the quarter, disbursed over six pay periods. Prospective applicants are invited to

contact Erik Thuesen, the

Science Curriculum Area Team Leader, via email

(thuesene@evergreen.edu) to request an application.

Successful candidates will be notified by the conclusion of Week 10 in Spring quarter. A similar program will be offered in Fall quarter.
