

Tea Please

His-tea-ry

(tea history)

Tea has a rich history and holds significance to many different cultures. A drink originating from China has developed to be a means cross cultural enjoyment. From Asia, to Europe, to North America, we all enjoy tea in different ways.

How do you drink tea?

The origins of tea in China can be traced back to ancient times. One popular belief is that tea was discovered accidentally when leaves from a wild tea tree fell into boiling water and created a flavorful and refreshing drink. Another story involves ancient Chinese scholars and hermits who found the soothing and invigorating effects of tea in the mountains.

Hot Tea

- There are so many ways to enjoy hot tea, here are some of the ways our group drinks it!

Optional course:
enjoying different
kinds of tea
-Liu

The British way:
black tea with
cream and sugar
-Emma

Black tea
-Jelly

Iced Tea

This is a Chinese drink, the name of the shop is Luckin. This one is orange flavored iced tea, which is a combination of oolong tea and orange juice.

-Jelly

True tea extraction, tea fragrance overflowing, mellow and sweet. It selects real juice and tastes more natural.

There are three flavors: grapefruit ice green tea, white peach jasmine iced tea and lemon ice tea.

-Lei

No extra sugar on the palate, grapefruits are tart at first, then icy at the end, when you chew on the bobo, the bobo is cushioned and slightly sweet.

-Fan

Sweet Tea:
Very sweet Iced black tea, often served with lemon. Very popular in the southern east coast of USA

-Emma

Milk Tea

- The origins of Milk tea are debated. It is thought to have originated in Tiwan or Hong Kong. Regardless of its origins Milk tea is a delicious treat enjoyed in a variety of ways, with many additives.

Thai tea with
Boba!
-Brandon

Bubble tea, Icy
and sweet, from a
very popular tea
shop in China
-Stella

Other types of tea

- There are so many fun ways to add to tea drinks. Fruit tea, tea ice cream, scented tea and many more.

Black Tea Ice cream,
great for the hot
weather in China
-Liu

Jasmine Tea:
A combination
of green tea
and jasmine
-Liu

Fruit Tea,
Strawberry tea is
Larry's favorite!

Mint Tea

(Peppermint)

Peppermint tea is one of my personal favorites. I often find myself drinking it at times in which I am cold, sick, or just longing for a comforting drink. Peppermint is a hybrid of spearmint and water mint.

Benefits of Peppermint Tea:

- Possibly lowers risk of chronic disease
- Improves digestive issues
- Relieves pain
- Reduces congestion
