October 7<sup>th</sup>, 2009

Attendees:

Matt Lebens, chair  
Nicole Allen  
Darwin L. Eddy  
Robyn Herring  
Neal Nelson  
Sara Huntington, guest

Topics Discussed:

Accident Reports

- Very few (7 in all) given that the report covered August and September

Pandemic Response

- Properly track flu cases
  - Students and staff can register their illness at [www.evergreen.edu/flu](http://www.evergreen.edu/flu)
  - Matt will check with Susan to see if registering in anonymous **(Followed up to find that the registration process, while not anonymous, is confidential.)**
- 30% absenteeism (Staff) = campus shut-down

Parkway Safety

- Crosswalk in question: the one you encounter when turning right onto Evergreen Parkway, exiting the campus
- Cars do not look right to see if bicyclists/pedestrians are trying to cross
- Police Services hold an awareness campaign?
- Signage?
  - To remind drivers about bicyclists/pedestrians
  - Possible stop sign if legal in roundabout
  - Who would fund?
- Make reports of near-collisions for better understanding of how frequent they are
