

Health & Safety Meeting

12/05/2012

Attendance: Maxwell Goldsmith, Joe Pollock, Txai Villacorta, Robyn Herring, JJ Wompach, Tim Marron, Elizabeth McHugh.

Ideas:

- Only having smoking shelters on upper campus; take away shelters from housing.
- Take away Lecture hall smoke spot.
Make it okay to smoke in cars; smoking only allowed in parking lot.
Very important to get Corner Store to discontinue their sales of tobacco.
Have alternative break activities for faculty/staff; non-smoking incentives
- Another smoking survey through Health center through staff members.
Use Residence halls, Academic fair, health and counseling centers to our advantage.
Get students attention through the social justice aspects of tobacco.
Washington DOH has willing guest for anti tobacco talks at Evergreen.
- Get the Drug and Alcohol committee to include tobacco.
- Table more aggressively on tobacco at the PREVENTION CONVENTION.

Misc. Topics:

- Evergreens layout makes it hard to leave campus.
- Tobacco ban schools show significant decrease in user activity.
- SeaMar pushing fliers and tobacco quit line.
- Tobacco Summit coming up in the near future, JJ will be in attendance.
- Evergreen cessation has not been used much in the past.

Tasks:

- Joe: Continue research
- Txai: Collect survey info, Talk to S&A about student groups that may be helpful to us
- Robyn: Respond to U of O and other Institutions research
- JJ: Invite Carolyn Prouty. Look into Cigarette butt display.
- Elizabeth: Look into synthesized effort between us and Drug and Alcohol group. Talk to health center staff about survey.
