

## Health and Safety Minutes 2/4/15

Present: Michelle Aguilar-Wells, Chris Balske, Nicholas Bense, Sgt. Pamela Garland, Robyn Herring, Matt Lebens, John McLain, Bill Mikesell, Joe Pollock

Minutes: Lebens

### 1) Welcome New Members

-Michelle Aguilar-Wells (Faculty), Chris Balske (CRC), Bill Mikesell (Emergency Response).

### 2) Minutes Approval

-Minutes from January meeting were reviewed and approved.

### 3) Illness/Injury Reports

-None available for review. We will address these at the March meeting.

### 4) H & S Website

-Approaching full functionality. Committee is still in need of another faculty member.

### 5) Measles

-No cases reported at Evergreen. If a case were to surface, students would be asked to leave class as determined necessary by appropriate campus personnel. MMR vaccines are available to students through the Health Center.

### 6) Influenza

-81 deaths reported in Washington at this time, most of whom were immunocompromised.

### 7) Overhulse / Driftwood Intersection

-Robyn has requested County put together a quote for the installation of speed tables (bumps).

### 8) Wellness Fair

-John McLain volunteered to develop survey questions specific to Health and Safety. John also agreed to develop a suggestion box for our table. Robyn Herring will provide bandaid dispensers for participatory enticement. Bill Mikesell and Matt Lebens will develop a video loop and a poster depicting awareness of falls, work injuries, and deer zones.

### 9) Other

-Michelle Aguilar-Wells voiced interest in beginning a discussion specific to the development of accommodations for those temporarily disabled.

-Chris Balske expressed a desire to add skateboard safety to the forthcoming bicycle initiative.

#### 10) Closing

-Meeting adjourned.

-Next meeting Wednesday March 4.

#### ACTION ITEMS

John – Wellness Fair questions and suggestion drop box.

Robyn – Bandaid dispensers.

Bill / Matt – Safety video and poster.
