

WASHINGTON STATE **OPPORTUNITY** SCHOLARSHIP

SCIENCE | TECHNOLOGY | ENGINEERING | MATHEMATICS | HEALTH CARE

WHY APPLY?

- Renewable for up to five years, for a total of up to \$22,500, based on credits completed and continued eligibility
- Can be used towards gaining a bachelor's degree at 60+ colleges in the state of Washington
- This is more than an award. Join and access career-launching networks and supports
- 1850 scholarships awarded annually

ELIGIBLE APPLICANTS MUST

- Be **very likely** to pursue a science, technology, engineering math or health care major and career in the state of Washington; students may begin at a two-year public community or technical college but must ultimately complete a 4-year degree in an eligible field
- Be a resident of Washington state
- Have a Washington state high school diploma or GED
- Must have a cumulative GPA of at least **2.75**
- Meet eligibility requirement of making **less than 125%** of state median income

The mission of the **Washington State Opportunity Scholarship** is to fuel Washington state's innovation economy by providing scholarships and a continuum of support services to low- and middle-income undergraduates pursuing high demand STEM and health care degrees. Explore the opportunity and apply online between **January 2 - February 28, 2018**.
