

**Attendance Self-Check**

*From the Expectations of an Evergreen Graduate:* 1) Articulate and assume responsibility for your own work.

If you're not sure about your attendance, please check your class notes or consult with classmates or faculty. For each class session below, circle if applicable whether you were **A**: Absent; or **L**: Late or Left Early (this means more than just a few minutes late or a few minutes left early). If you were A or L, also circle if applicable whether you **C**: Contacted faculty before faculty contacted you. **If you were fully present and on time to the session, no need to circle anything.**
